CLARKE COUNTY.

reconstructing St. Paul's Cathedral at London a bas relief was inserted in the reredos representing the crucifixion and the virgin and child. It does not appear at the first glance that this involved any departure from the proprieties of the number of men in the mines of Montana is and has been steadily increasing. The sneak thieves and burglars who have been infesting Helena for some time past are not former the old gentleman's new found friend that there was a charge of \$60 on excess of barglars. church decoration; but there are those to whom it takes the form of an assault upon the Protestant faith. That sculptured piece of stone has become the issue upon which the battle between the High Church and Low Church parties of Great Britain is to be fought, and the English separate are destined to be the field of conmonthly report of the city superintend.

come here predetermined to live by their said the young man, "give me the change for this check," producing one for \$250.

Another statement by the Staats Zeitung which is utterly false is that "Helena has decreased in population this year." For proof to the contrary the slanderer is kindly referred to the last population to the state of the city superintend.

That's all right," said the young man, "give me the change for this check," producing one for \$250.

"I am very sorry," said the pseudo baggage man, "but I haven't that much change."

"Too bad," replied the confederate. "I will have to leave without my baggage, as I haven't time to procure it, and I have slavely cash and July, \$25, September, \$250 in bills in my valise."

"Well, you can't get time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without my baggage, as I haven't time to procure it, and I have to leave without m courts are destined to be the field of conflict. In 1874 the practices of the ritualists had excited in no slight degree the alarm and opposition of the Low Church year. A walk or drive through the city party. The latter, with no less a champion than Gladstone, succeeded in securing the passage by parliament of what is known as the public worship regulation bill. It impresses the American the relations between church and state erection of a hotel with a greater caof this end it provided that when four of the perturbed Staats Zeitung. members should complain to the bishop of any form of worship adopted at any THE president has tendered the forechurch, he should present the matter to most colored man in the country, Fredthe proper court for determination as to erick Douglass, a petty foreign mission virtue of authority vested in him, offered a
